

**Every year**, we give you our roundup of the hottest products and services that came across our desks from manufacturers and dealers in the school market.

In every issue, every single product or service we cover in the magazine is there because we think it's something that you will find useful, so we're excited about each and every one in all of our issues. Our sole mission is to help you make purchasing decisions, so we're all about products, all the time. **This list reflects the "best of the best."**

**Here are some of the products and services that stood out to us this year.**

**Icom**

Communicate far and wide with LTE-CONNECT, Icom's LTE radio solution. Using 4G/3G networks, the IP501H allows for instantaneous push-to-talk communications throughout North America. The IP501H provides telephone style conversations, with conventional two-way radio features. The perfect solution for campus communication teams in need of simple, yet wide-area communications on and off property.

**Metadil**

Metadil understands that its role extends beyond manufacturing quality furniture; it significantly contributes to shaping individuals and families with ethical and moral values, transforming not just raw materials into durable products, but also people into citizens who contribute to society. Combining Brazilian creativity, Italian passion and design, and American professionalism, Metadil USA brings together unique qualities to help American schools achieve excellence.

**Aiphone**

Aiphone's award-winning access control system meets strict quality standards. It is a powerful solution with flexible administrator permissions, which are customized through user-friendly software. With enhanced visitor management capabilities, temporary credentials can be created for expected visitors and substitute staff to easily access your schools without interrupting reception.

[www.aiphone.com](http://www.aiphone.com)

**ChildBrite**

Childbrite is the standard of excellence in the field of Early Childhood activity products. The leader of the pack is the Sand and Water Activity Centers with a triple-punch -- Colorful, Durable, and Economical. Made of weather-resistant resins by a special process, these tables can take to the outdoors without warping, peeling or cracking.

**Rediker Software**

The new, fully web-based AdminPlus SIS is here and includes demographics, gradebook, web portals, mobile apps, attendance, scheduling, report cards and more. Rediker Software provides K-12 Christian schools with an integrated SIS, admissions, school websites, accounting, development and more. Reliably serving schools for over 44 years!

[www.rediker.com](http://www.rediker.com)

**Hardwire**

Hardwire, LLC is a manufacturer of protective ballistic solutions that has engineered body armor, vehicle armor, and aerospace armor for nearly 25 years. The Hardwire ERS is designed to stop multiple shots from the highest assault rifle threats and is commercially available at an affordable price for schools. A fully tested and deployed solution, the shields stop bullets, save lives, serve as a deterrent, and provide peace of mind. The Hardwire ERS buys critical time and space and can also be used by first responders on scene.
