

Every year, we give you our roundup of the hottest products and services that came across our desks from manufacturers and dealers in the school market.

In every issue, every single product or service we cover in the magazine is there because we think it's something that you will find useful, so we're excited about each and every one in all of our issues. Our sole mission is to help you make purchasing decisions, so we're all about products, all the time. This list reflects the "best of the best."

Here are some of the products and services that stood out to us this year.

NorvaNivel

NorvaNivel creates future-forward learning spaces that cater to students' individual needs and diverse learning styles. Through the company's use of agile and multipurpose contemporary furniture such as ergonomically designed seating, surfaces and storage, learning spaces can be rearranged and transformed into a setting that accommodates any subject matter, from arts to STEAM – in just seconds.

www.constructiveplaythings.com

Excel Dryer

The XLERATOR dries hands fast and provides a 95% cost savings vs. paper towels, eliminating their associated labor, maintenance and waste. It reduces the hand-drying carbon footprint by up to 75% when compared to traditional hand dryers and 100% recycled paper towels, facilitating a clean, green solution for any restroom.

www.exceldryer.com

Frontier Bag

Looking for a unique, practical fundraiser for your school? Look no further than the Trash Bag Fundraiser. Sell high-quality, heavy-duty trash bags. Everyone needs trash bags. There are no upfront costs, and you set your own profit margin. Several sizes and colors are available. Mention promo code "CSPBAGS" for a free sample packet and discount on your first order.

www.trashbagfundraiser.com

Bearcade

Certified for strength and 100% Made in the USA, Bearcade units rapidly secure and reinforce interior doors to withstand 4,800 pounds of shearing force pressure, impacts, and ballistic rounds. During the past 18 months, Bearcade units have been used effectively more than 26 times during hostile intruder incidents.

www.doorbearcade.com

Ironwood Manufacturing

The 5083-CL Wardrobe Cabinet offers personal storage, a modern look, and a smaller footprint. With a coat hook for your jacket and three adjustable shelves, you have the flexibility to meet your needs. This, along with a steel frame, makes a durable mobile storage solution. Ironwood's build-to-order manufacturing makes your color combinations limitless. Choose from standard colors or call for a quote to create your own special look.

www.ironwoodmfg.com

Viking Electronics

Viking's Emergency Phone Panic Buttons mount discretely under a desk or countertop to make silent emergency calls. Model PB-3 is analog phone line powered, and model PB-3-IP is SIP compatible and PoE powered. These sleek Panic Buttons can dial up to 5 programmed emergency numbers and both use non-volatile memory.

www.vikingelectronics.com

Kay Park Recreation

Speedy Bleachers are an easy to operate, push button, hydraulic folding bleacher unit that can be moved from one venue or field to another, as needed. They are an economical solution to having permanent grandstands at multiple fields that sit empty most of the year. Speedy Bleachers are designed to meet recent safety codes and made of rugged galvanized steel and aluminum materials to make them impervious to weather.

www.kaypark.com

Musson Rubber

Resilience, dimensional stability and endurance are natural characteristics of Smooth Sheet Rubber Flooring. With this no-wax product, maintenance is minimal. Underfoot comfort is excellent. Most important, it retains its beauty and luster for years and years under the most grueling use. It's the ideal choice for multi-purpose areas, including corridors, gymnasiums, auditoriums, classrooms, and other meeting rooms.

www.mussonrubber.com

One Call Now

Since its founding in 2005, One Call Now has grown to be America's largest group messaging provider. The company's solutions equip organizations with fast, reliable tools for sending alerts to many contacts at once across multiple devices, including text message, phone call, and email.

www.onecallnow.com

Screenflex

USA made Screenflex Portable Room Dividers divide space, absorb sound, and create displays in minutes. These tackable panels roll on self-leveling caster to help you accomplish your room dividing needs. Use to maximize space in the classroom, Sunday school, weekly programs, or evening ministries.

www.screenflex.com

Abeka

With Abeka, inspire learning and teach biblical values with Christian school curriculum trusted since 1972. Discover proven textbooks, video lessons, and more. You can count on high academics and a biblical worldview, so your students aren't left half prepared to make a difference in the world.

www.abeka.com

Safe-Latch

Safe-Latch is a solution that helps schools enforce their locked door policies for under \$30 a classroom. Safe-Latch is a latch hold back device that always allows interior doors to be locked. In an emergency, Safe-Latch can quickly be pulled from the door, locking it, without the use of key.

www.safe-latch.com

HangSafe Hooks

HangSafe Hooks partners with schools to create a safer learning environment with their coat rack system. Neatly store backpacks and coats. Eliminate risks of injury. Never replace broken hooks again.

www.hangsafehooks.com

AmpliVox

The new SN3075 Traditional RTA Acrylic Lectern combines the elegant universal appeal of acrylic with a bonus of portability: unlike most acrylic lecterns, it can be easily disassembled for transportation and reassembled with just a few screws. The compact, lightweight RTA Lectern fits any décor, and can be customized with colored tints and a clear, frosted, or smoked finish.
