

Every year, we give you our roundup of the hottest products and services that came across our desks from manufacturers and dealers in the school market.

In every issue, every single product or service we cover in the magazine is there because we think it's something that you will find useful, so we're excited about each and every one in all of our issues. Our sole mission is to help you make purchasing decisions, so we're all about products, all the time. This list reflects the "best of the best."

Here are some of the products and services that stood out to us this year.

AGATI
FURNITURE

Agati Furniture

Library furniture withstands a lot of use and abuse. Because of that, it needs to work hard and hold up. Agati furniture is engineered to last years longer than the typical chair, table or sofa. From crayon scribbles to coffee spills, their pieces clean easily and stand strong no matter what your patrons dish out.

www.agati.com

Unified Solutions

The Mindshare Radio Console features an easy-to-use Graphic User Interface that allows campus to instantly notify all employees of a major incident and to take necessary action. Mindshare uses the latest advanced technology to broadcast across multiple radio talk groups at the same time. Mindshare easily grows as your needs grow, so you will not need to do a forklift upgrade at any time. Mindshare is Made In the USA and supported by a dealer network of factory-trained staff.
